To Whom It May Concern:

We recently downloaded your trial version of ExhibitView to make a presentation at Henning Mediation, in Atlanta Georgia.

We had little time and needed a presentation application that would be quick to learn and easy to use with more flexibility than a simple PowerPoint. A colleague recommended ExhibitView so I went to your website and reviewed your online tutorial. It looked perfect.

After following the easy download instructions I was given a free personal 20-minute tour by Bill Roach. Within minutes I was quickly on my way to using all of its features to create a fantastic presentation that was delivered flawlessly inserting video clips, displaying documents with content emphasizing zoom and key point highlighting on the fly.

Attorneys At Law

In the past our firm has hired out a media specialist to assemble our exhibits and click the mouse at mediation. At less than \$700 ExhibitView paid for itself with the first use! It allows me to handle all of our trial and mediation presentations in the future and better manage our clients' costs for more efficient activities

Thanks again for making my job easier! My colleague got a big "Thank you" too.

Sincerely,

**Susan J. Delmonico**
